

## Dr. Rajeeva Laxman Karandikar

Dr. Rajeeva Laxman Karandikar has a Masters and a PhD in statistics from the Indian Statistical Institute, Calcutta.

Dr. Karandikar is an authority of global acclaim in the province of Stochastic calculus and has a mercurial lineage of academic accomplishments. A career approaching three decades has seen him build an enviable repertoire of recognitions which are a fitting testimony to his evolved understanding of the subject.

Dr. Karandikar's erstwhile engagements encompass premier universities in the USA (North Carolina, Minnesota and California) and Europe. Dr. Karandikar has been awarded the Shanti Swarup Bhatnagar prize by the Council for Scientific and Industrial Research, and the National Award in Statistics in honour of Professor C. R. Rao by the Ministry of Statistics and Programme implementation, Government of India.

Dr. Karandikar is also appreciated for the statistical consulting given to various news channels during pre and post poll analysis (TV Today, AAJ TAK and CNN IBN to name a few) and which contributed towards raising the level and nature of the analysis.
