

## **Press Release**

### **Cranes Software Relocates Registered Office**

**Bangalore, June 16, 2005:** Cranes Software International Ltd., a global scientific and engineering software solutions provider, today announced the relocation of its corporate offices. The registered offices of Cranes Software International Ltd. and its 100 % subsidiaries Systat Software Asia Pacific Ltd. and EMRC Engineering Mechanics Research India Pvt. Ltd. will now be relocated to **4th Floor, Block 1, Shankar Narayana Building, # 25, M.G Road, Bangalore.**

The new office will help consolidate Cranes Software's corporate operations into one centralized location and increase the development center work place by over 50 percent. This initiative will allow the Company to grow its employee strength, thereby supporting its sustained growth.

#### **About Cranes Software International Limited**

Cranes Software is a global scientific & engineering products and solutions provider. The Company's business interests straddle products, services, R&D in future technologies, training and high-end consultancy for engineers and scientist worldwide. Focused on the scientific and engineering community, Cranes Software has addressed the needs of a variety of customer groups ranging from large MNCs to the US armed force for over a decade.

Today, Cranes Software has its presence in 38 countries across the world and has a customer base of more than 350,000. Cranes Software also offers world-renowned solutions from reputed principals such as The MathWorks, Mentor Graphics, Texas Instruments, IBM and Lanner through product alliances.

With a mission statement to provide its customers the best in scientific technology and to enable its customers to define new limits, Cranes Software is setting new standards in the scientific and engineering field.
